Bigger weddings often benefit from a second photographer, and Annie Paige Photography frequently brings her husband Sapati along as a second shooter. Having two photographers means simultaneous coverage, one capturing the groom getting ready while the other documents the bride, for example. This setup has proven especially useful for large bridal parties and big families, where a single photographer would *wedding photographers Portland* have to choose what to miss.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

Couples with a larger guest list or an elaborate day often specifically ask about second shooter availability. Call creative wedding photographers Portland OR (207) 841-4333 to ask about second shooter coverage for your wedding.
