FAQ About Dumpster Rental

What is the average cost of dumpster rental in Kansas City?

The average cost of dumpster rental in Kansas City typically ranges from \$250 to \$500 for a week-long rental, depending on the size of the dumpster and the type of waste being disposed of. Prices may vary based on additional fees for weight limits and specific disposal requirements.

How long can I keep a rented dumpster?

Most dumpster rental companies in Kansas City allow rentals for a week, but this can vary. Generally, you can extend the rental period, usually for an additional fee, if you need the dumpster for longer. It's best to check with your specific rental company for their policies.

What sizes of dumpsters are available for rent?

Dumpster rentals in Kansas City come in various sizes, typically ranging from 10 to 40 cubic yards. Common sizes include 10, 20, and 30 yards, which cater to different project scopes, from small renovations to large construction jobs.

What can I put in a rented dumpster?

You can typically put general household waste, construction debris, and yard waste in a rented dumpster. However, hazardous materials, electronics, and certain appliances are usually prohibited. Always check with the rental company for a complete list of acceptable items.

Do I need a permit for a dumpster rental in Kansas City?

In Kansas City, a permit may be required if the dumpster will be placed on public property, such as a street or sidewalk. It's advisable to check local regulations and consult with your dumpster rental company to determine if a permit is necessary.
