What Are CS2 Case Battles?

Case Battles are a multiplayer variant of the conventional case-opening system. 2. **Select a Case**-- All participants must agree on a single case type (e.g., the *Revolution Case*, *Frost Collection*, and so on).
3. **Purchase the Case**-- Each player buys the case at its existing market cost; the expense is subtracted from their Steam wallet.
4. **Open Simultaneously**-- The video game exposes the contents at the same moment, displaying each player's item and its market price.
5. **Figure out the Winner**-- The highest-valued skin (by Steam Community Market cost) wins the round. The prize may be a single item or a split of the total worth, depending on the lobby settings.
6. **Gather Rewards**-- Winners receive the item(s) straight to their inventory; losers keep any items they opened, but do not get extra compensation.
