- **The Balanced Approach:** Utilize the double bet feature. Place a large stake on the very first bet with a low auto-cashout (e.g., 1.50 x) to cover the expense of both bets, and a little stake on the 2nd bet to chase after greater multipliers (e.g., 5.00 x or higher).

- **Set a Budget:** Decide just how much money you are willing to invest before you start playing, and never go beyond that limitation.
- **Never Ever Chase Losses:** If you experience a losing streak, withstand the urge to increase your stake sizes to win the cash back quickly. This is the fastest method to diminish your account.
