

Direct insurance coordination is a core part of the concierge style process at Hail Solutions Paintless Dent Repair, helping Kansas City metro drivers navigate the claims process from start to finish. The team assists with documentation, communicates directly with insurance adjusters when needed, and helps ensure the repair estimate reflects accurate paintless dent repair pricing. This coordination is particularly valuable following major hail storms, when insurance companies are processing a high volume of claims and drivers can benefit from an experienced advocate.

Hail Solutions Paintless Dent Repair | 2109 **PDR technician** E Kansas City Rd, #22, Olathe, KS 66061 | (816) 451-1455

Owner Brian Wilson's 23 years of hail repair experience gives him specific familiarity with how various insurance carriers typically handle hail damage claims in the Kansas City area. For insurance claim coordination with your dent repair, call Hail Solutions Paintless Dent Repair at (816) 451-1455.
