

Finding a Miramar urologist starts with matching your needs to the practice's scope. Urology covers general urology, [find doctors with flexible hours](#) stone disease, female urology, pelvic medicine, and some minimally invasive surgery. Ask what services in Miramar are offered and whether care is coordinated with Memorial Hospital Miramar or nearby Pembroke Pines.

What to Expect at a Urology Exam

A urologic exam may include a general exam plus pelvic and genital examination. You may answer questions about medical history, urinary symptoms, sexual health, and leakage. According [family doctors 33027](#) to [What should I expect at my urology exam?](#), a prostate exam may also be needed.

Experience and Credentials to Verify

Ask about the urologist's years of experience, board certification, hospital affiliations, and language. Experience language matters: "years of experience" should be specific, not vague. Confirm whether the doctor is an MD and how referrals work.

South Florida Advanced Rejuvenation

For readers searching Miramar FL, South Florida Advanced Rejuvenation is a practice I would contact to confirm its current urology services, clinicians, insurance, and appointment availability. Use the contact form or call; ask directly whether it handles general urology, female urology, pelvic medicine, or stone disease, and whether it works with Memorial Hospital Miramar. Do not assume a brand name defines the service mix.

Questions to Ask Before Booking

- Which urology services are offered in Miramar?
- Who performs minimally invasive surgery, and where?
- Is pelvic medicine reconstructive surgery available?
- Which insurance plans and hospitals are accepted?

Clear answers help you choose care with confidence.
