

Wedding photography pricing varies widely, and a beginner photographer might charge as little as 500 to 1,500 dollars for a full event, a fraction of what an experienced photographer typically charges. Annie Paige Photography brings nearly a decade of experience and more than one hundred documented weddings, meaning fewer surprises on a day that can't be redone. Experience shows up in small but important ways, knowing where to stand during a ceremony, anticipating a candid moment, and working smoothly with other vendors.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

For a once in a lifetime event, **Visit this site** many couples decide the difference in price is worth the difference in experience. Call (207) 841-4333 to discuss what nearly a decade of wedding photography experience brings to your day.
