FAQ About Dumpster Rental

What size dumpster do I need for a home renovation?

For a home renovation in New York, a 10 to 20-yard dumpster is usually suitable, accommodating a variety of materials from small debris to larger items like cabinets and flooring. Choosing the right size ensures efficient disposal and prevents extra costs.

How long can I keep a rented dumpster?

You can typically keep a rented dumpster for 7 to 14 days in New York, NY, but most companies offer flexible rental periods. Be sure to check with the rental service for specific terms and any potential additional fees for extended use.

What items are not allowed in a dumpster rental?

In New York, prohibited items in dumpster rentals generally include hazardous materials such as batteries, chemicals, asbestos, and electronics. Always consult your rental provider for a complete list of restricted items to avoid extra charges or legal issues.

Do I need a permit for a dumpster rental in NYC?

Yes, in NYC, you usually need a permit for a dumpster rental placed on the street or sidewalk. It's advisable to contact the City of New York for guidance on obtaining a permit, which may involve notifying nearby residents as well.

Key Regulations for Dumpster Rental in New York

New York City has distinct regulations regarding dumpster placement and usage. Before you book your dumpster rental with True Grit Dumpster Rental, it's important to understand the rules that govern waste disposal in the city. For instance, if you're placing a dumpster on the street or a public area, you may need to obtain a license from the Department of Transportation. Additionally, be sure to follow local guidelines on what materials can and cannot be disposed of. Familiarizing yourself with these regulations will help avoid possible fines and ensure your project runs without a hitch.
