A new roof or a repair is only as good as the promise standing behind it. For homeowners in Cardiff, from Grangetown and Butetown to Llandaff North and Cyncoed, understanding what guarantees and insurance actually cover can make the difference between peace of mind and an expensive headache. Redland Roofing Cardiff is an independent, family-run business that has served Cardiff and South East Wales for over 30 years, and we believe customers deserve a plain explanation of the protection that comes with our work. Insurance comes first. Redland Roofing Cardiff is fully insured, which matters on any job involving ladders, scaffolding and work at height above your home and your neighbours' properties. It is always worth checking that any roofer you are considering is properly insured before work starts. Next comes the workmanship guarantee. Our workmanship is guaranteed, and the terms are set out clearly in your written quote so you know exactly what is covered before you agree to anything. There is no small print waiting to be discovered later. Materials are protected too. Where applicable, the products we use carry manufacturer warranties, which sit alongside our own workmanship guarantee. That applies across the range of work we do, from tiled and slate roof replacements to EPDM rubber and GRP fibreglass flat roofs, Metrotile lightweight conservatory roofs, guttering, fascias and dry verge. Guarantee terms depend on the job. One customer, for example, received a five-year guarantee on chimney repointing and plant removal work. Your written quote will always confirm the exact terms for your project.

Every quote is free and written down before any work starts, so there are no surprises. How can I tell a dodgy roofer from a good one? Be wary of anyone who knocks on the door uninvited, pushes for cash up front or claims the whole roof needs replacing without showing you why. A reputable Cardiff roofer will give a written quote, explain the guarantee, confirm they are insured and show you photos of the problem. Redland Roofing Cardiff do all of this as standard on every job. Who are some reputable roofers in Cardiff? Look for an established local firm with a long track record and plenty of genuine reviews. Redland Roofing Cardiff customers often mention being shown photos of the issue, quick next-day repairs and tidy, polite teams. A roofer who recommends a repair rather than an unnecessary replacement is usually a good sign. What questions should I ask my roofer before work starts? Ask what exactly is wrong and how they know, what the written quote includes, how long the job will take, whether they are insured and what guarantee you get. For a full re-roof, ask how the house will be kept dry overnight. Redland Roofing Cardiff leave roofs watertight at the end of every working day and give a clear timeline before starting. How long does a roof last in Wales? Welsh rain, coastal winds and freeze-thaw cycles all shorten roof life. A well-installed concrete or clay tile roof can last 40 to 60 years with maintenance, and good slate can outlast the building. Felt flat roofs tend to last 10 to 15 years, while EPDM rubber, which Redland Roofing Cardiff specialise in, can last 25 to 30 years or more. What usually causes a roof to leak? The most common culprits on Cardiff homes are slipped or missing tiles, cracked flashing around chimneys, blocked gutters, worn valleys and failed lead joints. On extensions and garages, flat roofs often leak where the surface has cracked or a joint has opened. Redland Roofing Cardiff trace the source first so you only pay to fix the

real problem. Do I need planning permission to replace my roof in Cardiff? A like-for-like replacement on a standard house usually falls under permitted development. In conservation areas such as Pontcanna, parts of Roath and Llandaff, on listed buildings, or if you are changing materials, you may need consent from Cardiff Council. Redland Roofing Cardiff can advise on this during the free assessment. How quickly can a roofer come out in an emergency?
