FAQ About Dumpster Rental

How long can I keep a dumpster rental in Miami?

Typically, you can keep a dumpster rental in Miami for about 7 to 14 days. However, rental periods can vary based on the company, and extensions may be available for an additional fee.

What size dumpster do I need for a home renovation?

For home renovations, a 10 to 20-yard dumpster is usually sufficient. The size you choose should depend on the volume of debris generated, such as drywall, flooring, or furniture.

Do I need a permit for dumpster rental in Miami?

A permit may be required for dumpster rentals in Miami, especially if the dumpster will be placed on a public street or sidewalk. It's best to check with the local municipality for specific regulations.

What can I put in a dumpster rental in Miami?

You can typically put construction debris, furniture, yard waste, and general trash in a dumpster rental. However, hazardous materials, electronics, and certain appliances are usually prohibited.

The Benefits of Using Neighborly Dumpster Rental for Dumpster Rental

Choosing Neighborly Dumpster Rental for your dumpster rental near Miami comes with a host of perks. Our variety of dumpster sizes ensures that you can find the perfect fit for your project, whether it’s a small home cleanout or a large-scale construction job. Our competitive pricing means you won't have to worry about surprise

costs, allowing you to plan your project effectively. Furthermore, our knowledgeable team is here to assist you every step of the way, from selecting the right dumpster to arranging on-time delivery and pickup.

How to Choose the Right Dumpster Size

When it comes to dumpster rental near Miami, selecting the right size is critical to your project's success. Dumpsters typically come in various sizes, ranging from 10 to 40 cubic yards. For a small cleanout or spring cleaning, a 10 to 15 cubic yard dumpster may suffice. For larger projects, such as home renovations or roofing, opting for a 20 to 40 cubic yard dumpster is advisable. If you're uncertain about which dimension you need, our team at Neighborly Dumpster Rental is available to help assess your requirements based on the type of debris you plan to dispose of and the volume of waste you expect to generate.
