For those curious about why this virtual airplane has actually caught the hearts of Kenyan punters, this thorough guide checks out how the game works, strategies players utilize, and how to enjoy it responsibly.

What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game coming from the "crash game" category. Unlike traditional slots with spinning reels or table games with intricate rules, Aviator is developed around an increasing curve that can crash at any time.

The property is straightforward:

1. **An airplane removes**, and with it, a multiplier coefficient starts to increase.
2. **Gamers place one or 2 bets** before the round starts.
3. **The goal is to squander** before the lucky aircraft flies away (crashes).
4. If a player cashes out in time, they win their stake increased by the current coefficient. If the aircraft flies away before they squander, the bet is lost.

This blend of timing, psychology, and threat management has made it a staple throughout almost every significant wagering website in Kenya.
