

A lost filling can leave a tooth sensitive and vulnerable to further decay, and Whites Dental Marble Arch offers emergency appointments for Bayswater patients dealing with this issue. The dental team assesses the extent of the exposed tooth before deciding whether a straightforward refill or more involved repair is needed.

Whites Dental Marble Arch (W2) | 52B Kendal St, [Emergency Dentist Bayswater whitesdental.co.uk](https://www.whitesdental.co.uk) St George's Fields, London W2 2BP | 020 3576 2325

Prompt treatment helps prevent the problem worsening, particularly if the tooth becomes sensitive to hot, cold or pressure. For emergency lost filling repair near Bayswater, contact Whites Dental Marble Arch on 020 3576 2325 or visit 52B Kendal St, St George's Fields.
