The Four Bonus Rounds Explained

The main appeal of Crazy Time lies in its 4 reward rounds. These mini-games offer the highest multipliers and the most aesthetically appealing gameplay.

1. Coin Flip

The easiest of the perk rounds. A coin with a red side and a blue side is turned by a machine. Before the flip, random multipliers are appointed to each side. Whichever side lands deal with up awards the player that matching multiplier.

2. Money Hunt

Gamers deal with an enormous screen showing 108 random multipliers concealed behind different shooting targets (like cacti, targets, and hats). Using a virtual cannon, the gamer chooses one target, and the concealed

multiplier is exposed and applied to their bet.

3. Pachinko

Motivated by the conventional Japanese arcade game, a radiant puck is dropped from the top of a big board filled with pegs. The puck bounces down and lands in one of the landing zones at the bottom, each featuring a multiplier. If it arrive on a "Double," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

This is the holy grail of the video game. Players get in a virtual, surreal world behind a red door, greeted by an even bigger giant wheel. Players should choose among 3 flappers (Green, Blue, or Yellow). The wheel spins, and anywhere the picked flapper stops figures out the reward. Multipliers can rise to **20,000 x**.
